

The **VORTEC<sup>®</sup> iBEAST** is designed for fast & profitable recycling of spray applied insulation, removal of damaged insulation due to fire, water, and smoke, retrofit activities, and HVAC cleaning.

The “i” in the **BEAST**:

- independently supported shaft removes stresses placed on engine components.
- integral vacSHIELD provides built in benefits.

Engineered for High Productivity

Built-to-Last for High Value Generation

- Oversized Impeller moves High Volumes
- Abrasive Resistant Steel ~ Long Life
  - Impeller
  - Shroud’s curved section

- VANGUARD V-TWIN
- Highly Portable design
- Run Flat WHEELS
- Powder coated

# Specifications

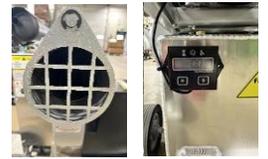

- Body: Powder-coated steel with 10" run-flat wheels.
- Weight: 435 lbs (198kg).
- Inlet: 6" standard. 8" optional
- Outlet: 6".
- Motor: Electric start Vanguard 23hp V-Twin.
- Oil Alert system shuts motor when oil is low to prevent engine damage.
- Fuel: 5 gallon gas tank.
- Oversized 20" Impeller with 1/4" thick abrasive resistant steel.
- Extra thick shroud – 2X thick abrasive resistant in main wear area.
- Warranty: 1 year limited; Vanguard provides 3 year engine.

Specifications subject to change; contact Intec for current specifications

# Features

- independently supported shaft powered by centrifugal clutch reduces engine stresses
- integral vacSHIELD provides built-in benefits
- Vanguard V-Twin electric start
- Inlet air filter to limit fibrous particles from entering cooling fins – appropriate engine cooling w/ less maintenance
- Pivoting inlet gate promotes safe operation
- Hour meter assists with maintenance schedules
- Abrasive Resistant Steel impeller & curved section of shroud for long lasting vacuum

# Accessories – can be used with all vacuums

## Enhance Safety & Extend the Vacuum's Life

- ✓ Safety enhanced by limiting foreign objects from exiting vacuum at high speeds.
- ✓ Vacuum's Life extended by preventing foreign materials from entering the vacuum & potentially causing damage to the impeller, shroud, and engine.

## Eliminate Bag Change Down Time

## 2 Individuals with One Vacuum

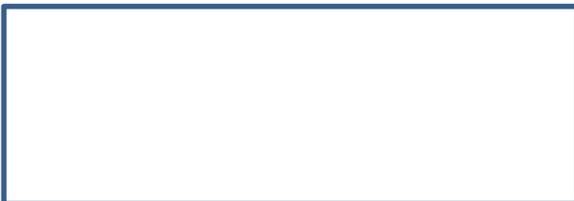

## Simplify pickup

- ✓ 4" and 6" diameters, 4' and 2' lengths.
- ✓ Swivel hose connector simplifies movement.
